high pressure cleaners

RANGERS PETROL / DIESEL

The EDGE Ranger series of petrol and diesel driven pressure washers are powerful cleaning machines, offering complete portability. Built to a "HIRE" specification the rugged and robust frame design incorporates machine protection and manoeuvrability. This impressive Range of machines offers a comprehensive selection of performance from a 4 HP model to a 11 HP model. All models are fitted with the highly acclaimed Interpump water pumps, coupled via a gearbox to Honda Petrol, Lombardini & Yanmar diesel engines.

All EDGE machines are manufactured to exacting standards from quality materials and components. The EDGE Rangers series comprises of then models with various flow/pressure combinations and engine derivatives from 1470 p.s.i. to 2940 p.s.i. and 9.5 litres/min to 21 litres/min.

PORTABLE & PROFESSIONAL CLEANING
